To the master's thesis of the student FSL SR-41m group Anna Koreneva

Theme of master's thesis: "The problem of the legalization of same-sex partnerships in the context of social policy"

Supervisor: candidate of political sciences Yakubin Alexei Leonidovich

Structure of work: Master's thesis consists of introduction, four chapters, conclusions and recommendations. The first section reviews theoretical and methodological basis of the term "same-sex partnership" in contemporary discourse.

In the second chapter the problems and prospects of implementation of social policy on the legalization of same-sex partnerships are reviewed and analyzed. The foreign experience in the legalization of same-sex partnerships is investigated; on the basis of this analysis key challenges of implementing social policies to legalize homosexual unions in Ukraine have been described.

The third chapter includes an empirical analysis of the problem based on the author's sociological study by deep interviews with experts. According to the survey possible ways and prospects of legalizing same-sex partnerships in Ukraine were offered.

The fourth chapter is devoted to the analysis of problems of health and safety in an emergency in this context.

The paper contains a comprehensive analysis of the legalization of same-sex partnerships in Ukraine and abroad, which made it possible to identify key challenges to the implementation of social policy to legalize homosexual unions in our country on the theoretical and empirical levels. Deep interviews with experts provided an opportunity to efficiently and comprehensively describe ways and prospects of legalizing same-sex partnerships in the country, allowed to offer options for implementation of social policy on the legalization of homosexual unions, and describe the possible consequences.
